

PAIGE A. GREENLEE

PLATFORM STATEMENT

Over the past six years, I have had the honor of representing 13th Circuit lawyers on the Board of Governors. I am an experienced and committed leader of our profession at the local and statewide levels, and am the right choice to continue to represent you.

More than nine years ago, I founded my own firm focused on business litigation and bankruptcy. Previously, I practiced with a small firm, as a partner with one of Tampa's largest law firms, and as a judicial law clerk. This experience helps me understand the issues facing all lawyers in our circuit and will allow me to truly represent your interests.

I have previously served in leadership positions on a local level, including as Hillsborough County Bar Association President, Hillsborough Association for Women Lawyers Board member, Florida Bar Young Lawyers Division (YLD) Board of Governors (13th Circuit representative), Wm. Reece Smith, Jr., Litigation American Inn of Court member. I currently serve on the Hillsborough County Bar Foundation Board.

Statewide, I served as Florida Bar YLD President, leading our Bar's largest section of approximately 25,000 lawyers. This afforded me the privilege of serving on The Florida Bar Board of Governors for two years and sitting on the Board's Executive Committee.

In 2018, I was elected to represent our circuit on The Florida Bar Board of Governors, and have held numerous leadership roles, including Technology Committee Chair and Disciplinary Review

Committee Co-Chair. I am in my fifth year on the Executive Committee, which sets policy for the Board and acts on the Board's behalf between Board meetings. For four of those five years, the Board elected me as one of its three representatives. Additionally, I have been appointed Communications Committee Chair for next year, a position that automatically serves on the Executive Committee.

I also serve on the Solo & Small Firm Section Executive Council, and previously served on the Business Law Section Executive Council and The Florida Bar Foundation Board's Executive Committee.

Through these leadership roles, I have gained insight into all aspects of the Bar, from lawyer ethics and discipline, to interaction with the courts, Legislature and executive branch, to overseeing the Bar's \$43 million budget. I also understand the important dynamic between the Board, its sections, divisions, and committees, and other bar groups.

Our profession is constantly changing. As your representative, my priorities will include: continuing to help lawyers adapt to constantly changing technology through education and free programs; increasing access to justice and expanding the business community's role in this important initiative; improving lawyer professionalism, ethics, and civility; and providing more resources to assist lawyers' practices.

I will continue to actively seek out your questions, comments, and concerns. Please do not hesitate to contact me any time (paige@greenleelawtampa.com or (813) 785-9885), and visit www.voteforpaige.com. It would be my honor and privilege to continue to represent and advocate for you on the Board of Governors. I hope to earn your support, and I ask for your vote.
